BILLING CODE 4410-21-M

DEPARTMENT OF LABOR

Employment Standards Administration

Wage and Hour Division; Minimum Wages for Federal and Federally Assisted Construction; General Wage Determination Decisions

General wage determination decisions of the Secretary of Labor are issued in accordance with applicable law and are based on the information obtained by the Department of Labor from its study of local wage conditions and data made available from other sources. They specify the basic hourly wage rates and fringe benefits which are determined to be prevailing for the described classes of laborers and mechanics employed on construction projects of a similar character and in the localities specified therein.

The determinations in these decisions of prevailing rates and fringe benefits have been made in accordance with 29 CFR part 1, by authority of the Secretary of Labor pursuant to the provisions of the Davis-Bacon Act of March 3, 1931, as amended (46 Stat. 1494, as amended,

40 U.S.C. 276a) and of other Federal statutes referred to in 29 CFR part 1, Appendix, as well as such additional statutes as may from time to time be enacted containing provisions for the payment of wages determined to be prevailing by the Secretary of Labor in accordance with the Davis-Bacon Act. The prevailing rates and fringe benefits determined in these decisions shall, in accordance with the provisions of the foregoing statutes, constitute the minimum wages payable on Federal and federally assisted construction projects to laborers and mechanics of the specified classes engaged on contract work of the character and in the localities described therein.

Good cause is hereby found for not utilizing notice and public comment procedure thereon prior to the issuance of these determinations as prescribed in 5 U.S.C. 553 and not providing for delay in the effective date as prescribed in that section, because the necessity to issue current construction industry wage determinations frequently and in large volume causes procedures to be impractical and contrary to the public interest.

General wage determination decisions, and modifications and supersedes decisions thereto, contain no expiration dates and are effective from their date of notice in the Federal Register, or on the date written notice is received by the agency, whichever is earlier. These decisions are to be used in accordance with the provisions of 29 CFR Parts 1 and 5. Accordingly, the applicable decision, together with any modifications issued, must be made a part of every contract for performance of the described work within the geographic area indicated as required by an applicable Federal prevailing wage law and 29 CFR Part 5. The wage rates and fringe benefits, notice of which is published herein, and which are contained in the Government Printing Office (GPO) document entitled "General Wage Determinations Issued Under The Davis-Bacon And Related Acts," shall be the minimum paid by contractors and subcontractors to laborers and mechanics.

Any person, organization, or governmental agency having an interest in the rates determined as prevailing is encouraged to submit wage rate and fringe benefit information for consideration by the Department. Further information and self-explanatory forms for the purpose of submitting this data may be obtained by writing to the U.S. Department of Labor, Employment Standards Administration, Wage and Hour Division, Division of Wage Determinations, 200 Constitution

Avenue, N.W., Room S-3014, Washington, D.C. 20210.

NATIONAL LABOR RELATIONS
BOARD**Notice of Procedures to be Followed in
the Event Board Offices are Closed
Due to Lack of Appropriated Funds**

The National Labor Relations Board is issuing this notice to advise the public of procedures to be followed in the event that Board offices are closed, in compliance with the Antideficiency Act, 31 U.S.C. 1341, *et seq.*, due to the lack of appropriated funds.

**1. Tolling of Time for Filing or Serving
Certain Documents**

In the event the Board's offices are closed due to lack of appropriated funds, the Board hereby grants, *sua sponte*, an extension of time to file or serve any document for which the grant of an extension of time is permitted by law. The terms of the extension are that for each day on which the agency's offices are closed for all or any portion of the day, one day shall be added to the time for filing or service of the document.

Extensions of time for filing cannot apply to the 6 month period provided by section 10(b) of the Act for the filing of charges, 29 U.S.C. 160(b), or to Applications for awards and fees and other expenses under the Equal Access to Justice Act, 5 U.S.C. 504. However, with respect to time computations for filing and serving charges filed pursuant to section 10(b) or applications filed pursuant to the Equal Access to Justice Act, the Board hereby gives notice of its intention to construe the phrase "Saturday, Sunday, or a legal holiday" in its rules pertaining to filing and service, § 102.111(a), 29 C.F.R. 102.111(a), to encompass any day on which the agency's offices are closed for all or any portion of the day due to lack of appropriated funds.

Notwithstanding the foregoing provisions, persons wishing to file a charge pursuant to section 10(b) of the act, and for whom the 6-month period of Section 10(b) is to expire during the interruption in the Board's normal operations, are cautioned that the operation of Section 10(b) during an interruption in the Board's normal operations is uncertain. Consequently, it would be prudent to attempt to file the charge during the interruption in the Board's operations by following the procedures outlined in the notice set forth below. Moreover, persons filing a charge are reminded that it is their responsibility, pursuant to § 102.14 of the Board's Rules and Regulations, 29 C.F.R. 102.14, to serve a copy of the charge upon the person against whom

the charge is made. While Regional Directors ordinarily serve a copy of the charge on the person against whom the charge is made as a matter of courtesy, they do not assume responsibility for such service, and it is unlikely that the agency will be able to serve charges during any period of shutdown due to lack of appropriated funds.

**2. Notice To Be Posted in the Event of
a Shutdown Due to Lack of
Appropriated Funds**

In the event the Board's offices are closed due to lack of appropriated funds, the Board intends to post a copy of the following notice at each of its offices to advise the public of procedures to be followed during the period of the shutdown. In addition, a pre-recorded message will be available on the main phone numbers in each of the agency's offices to provide persons with information regarding how to contact the agency during the shutdown.

"This office of the National Labor Relations Board is closed due to the lack of a budget appropriation.

Due to the lack of appropriated funds this office of the National Labor Relations Board is temporarily closed. This office will reopen when sufficient funding has been authorized by law. Only such Government activities necessary to prevent an imminent threat to the safety of human life or the protection of property may be undertaken in the absence of specific budget authority. If there is an imminent threat to the safety of human life or the protection of property as a result of a violation of the National Labor Relations Act, you should contact the _____ Regional Office, _____, at telephone number () _____, FAX Number () _____, for assistance. If the safety of human life or the protection of property is not subject to an imminent threat, you will have to wait until the Office resumes normal operations to be served. [Note: The addresses and phone numbers listed will vary from office to office. All possible choices are listed in part 3 of this Federal Register notice, below.]

Timeliness of Charges, Petitions and other papers:

Pursuant to Section 10(b) of the National Labor Relations Act, 29 U.S.C. 160(b), complaint cannot issue on a charge alleging an unfair labor practice violation unless the charge is filed and served within 6 months of the occurrence complained of. The operation of Section 10(b) during an interruption in Agency services as a result of a lack of funds is uncertain. If
